

International Scientific Symposium “Advanced Biotechnologies - Achievements and Prospects” (Vth Edition)

Dear colleagues,

We invite you to take part in the Vth International Symposium “**Advanced Biotechnologies - Achievements and Prospects**”, organized by the **Institute of Genetics, Physiology and Plant Protection** in 21-22 October 2019 in Chisinau, Republic of Moldova.

The principal goal of this symposium is to present the latest outstanding breakthroughs in different types of Biotechnology, to bring together both, experienced and young scientists from different scientific centers.

Symposium themes

- **Molecular, cell and tissue engineering**
- **Biotechnological techniques and methods**
- **Advanced biotechnologies and plant protection**
- **Conservation and utilization of genetic resources** technologies to exploit genetic resources

Participation offer

Proposals as Invited Lectures, Session Lectures and Poster Presentations can be submitted to us as abstracts. All submitted materials will be reviewed on the basis of scientific novelty and practical application. Proposals compiled according to the announced topics and all requirements will be published in the collection of the symposium proceedings.

Abstract submission deadline: 25 August, 2019

Abstract requirements

The proposals should be written in Romanian, English or Russian in accordance with the following rules: one complete page in A4 format. Page margins: top and bottom - 2 cm, right - 1.5 cm, left - 2.5 cm, text processor MS Word, Times New Roman, 12 pt., single spaced. Abstract title - all capitals, 14pt., bold, skip one line; Authors (first name, second name) - 12pt., bold; Institution (full name) - 12pt., *italic*, corresponding authors e-mails. Two lines should be skipped between affiliation and the main text. The inclusion of the figures or tables is not recommended.

Abstracts shall be submitted electronically to the address: biotehnologi2019@gmail.com.

File name shall include the name of the first author.

The Proceeding Materials will be distributed at the symposium during registration.
